2. Consulted with Mr. Dulles on the directorship of NSA and he suggested that I review this question with General Cabell. Later in the day I did talk with General Cabell on this matter and we agreed that the first point to be raised in USCIB was the question of NSA's choice of a civilian deputy to the Director of NSA, to have charge of research. I undertook to have collected for General Cabell by Monday or Wednesday next, CIA's recommendations on this point. At the suggestion of General Cabell, I shall present these in advance to [redacted] 25X9A6

3. Discussed briefly with Mr. Dulles CIA service to the White House. I explained to him our tentative ideas about having a room in the White House and also having CIA's representatives located with non-IAC members of the NSC. Mr. Dulles indicated that at an early NSC meeting he desired to kick off with a discussion of AE matters and then to review the various services we have available for NSC members, so as to consult with them as how best to implement these services. Later reviewed this conversation with [redacted] and we agreed that this type of briefing should be put on Wednesday week. Next week the major topic will be Yugoslavia. 25X1A9a

10. Mr. Pforzheimer, [REDACTED] consulted Mr. Dulles and myself as to the action to be taken respecting a request for a briefing by the Joint Committee on AE which, as yet, has been unable to select a chairman. Mr. Dulles determined to chat with Senator Hickenlooper on this before making any final decision. It was our recommendation that he lunch with Hickenlooper, Cole and Durham (Acting Chairman) and explain why it was desirable to keep the actual briefing to the Chairman, leaving it to him to pass on to the Committee such material as he thought advisable and necessary.

11. Attended a portion of an O/RR briefing on the solution of pro formas.

12. Attended PRO.
